A vertical strip of ten small, square images showing the progression of a plant growing from a seedling to a mature tree. The images are arranged in a single column, with each image showing a different stage of growth. The first image shows a small seedling with two leaves. The second image shows a seedling with four leaves. The third image shows a seedling with six leaves. The fourth image shows a seedling with eight leaves. The fifth image shows a seedling with ten leaves. The sixth image shows a seedling with twelve leaves. The seventh image shows a seedling with fourteen leaves. The eighth image shows a seedling with sixteen leaves. The ninth image shows a seedling with eighteen leaves. The tenth image shows a mature tree with many leaves.
